\* Randy Hymes previously filed a short form complaint naming the Riddell defendants in 2014 even though he never filed an underlying complaint against any Riddell defendant. (ECF No. 6140.) However, he dismissed that short form complaint three days later and has had no pending claims against any Riddell defendant in this MDL for more than three years. (See 9/5/2014 Notice of Voluntary Dismissal, ECF No. 6158.) Therefore, he is included on the list of plaintiffs filing claims against the Riddell defendants for the first time in SAMAC-SFCs, and like the other plaintiffs, his SAMAC-SFC should be stricken.
